Bejide Mofiyinfoluwa Israel

Frontend Developer

+2349016238351 ◇ isbejide10@gmail.com ◇ 26 olorunfemi street, igando , Lagos, Nigeria ◇ Portfolio

SUMMARY

Front-End Developer skilled in crafting responsive interfaces using HTML, CSS, JavaScript, and React. Experienced in personal and academic projects, including building interactive web apps with API integration. Eager to apply problem-solving skills, creativity, and a strong foundation in web development to real-world team environments.

EXPERIENCE

Frontend Intern   Apr '25 — Jul '25
AiWahala   Lagos (Remote)

Contributed to frontend development tasks while strengthening skills in React, JavaScript, and responsive design. Collaborated with the team using GitHub and Agile workflows, gaining practical experience in modern web development practices.

- Assisted in styling and debugging components to improve user interface responsiveness.
  Gained hands-on experience with API integration and version control through Git/GitHub.
